Cyclist Hurl'd To Death; Cycle Kills Pedestrian

COLUMBIA, Pa. (AP) — A motorcyclist was thrown to his death and a pedestrian was killed in a highway crash here today.

The cyclist was identified as Charles D. Smith, 21, of Columbia. The pedestrian killed was William J. Smith, 48, also of Columbia. The two were not related.

Police said they were told by witnesses the motorcycle was traveling about 70 miles an hour when Charles Smith was tossed off.

The riderless cycle then swerved across the highway and struck William Smith, who was walking with a companion, William Wallentine, of Columbia, who sustained a minor leg injury.

The cycle continued on until it struck a parked car.

NEW FIRE HALL ADDITION TO BE FINISHED SOON

The \$12,000 addition to the Greenmount Fire Company's fire hall will be completed in time for the annual carnival August 2 and 3 reports Monday evening at a meeting of the firemen in the hall showed.

Paul Wolff, chairman of construction, said only a few finishing details remain to be done, and conducted members on a tour of the new 50 by 75-foot concrete block addition.

President Melvin Burton expressed his appreciation to the "36 active members who have been responsible for a tremendous amount of work in connection with this new construction."

He told the firemen that Wolff, James Pissel, Charles Kramer, Charles Moritz, Glenn Dick, Paul Stahl, Walter Null and John Pissel "have been the most faithful workers, putting in night after night and weekend after weekend of work." In addition, he said, "many others aided when they could."

Enlarge Plans
Work on the new construction began as a result of a decision at the April meeting to add an extension to the rear of the present structure to provide a kitchen. The building committee formed at that time, Edgar "Bud" McDonnell, Richard Clark, Paul Plank, Charles Kramer and John Pissel, after studying plans suggested that a new addition (Continued on Page 3)

R.C. Water Safety Course Trained 1,000

The most extensive summer water safety program ever conducted by the Adams County Red Cross chapter is in its final week with swimming instructions having been given to more than 1,000 children and adults.

The series of three two-week swim courses opened June 17 and subsequent courses began July 1 and 15. The final classes will be concluded on Friday of this week by the staff of Red Cross-trained instructors.

Names of those who passed course requirements will be announced when they are compiled at the Red Cross office.

Classes this week are being held at the Battletield and Gettysburg College pools here and at Crouse's pool at Littlestown.

Burned Wreckage Of Missing Plane Spotted In Mountains

MILAN, Italy (AP) — The burned-out wreckage of a U.S. Navy plane which vanished over the rugged north Italian mountains with 11 men aboard was spotted today piled into the side of San Martino Mountain near Trento. There was no sign of survivors.

Alpine guides and army rescue teams with walkie-talkie radios and first aid kits set out to reach the wreckage. First reports said it may be hours before they can scale the rugged 9,000-foot peak.

Officials at the Air Rescue Control center at Milan said only they had found "the wreckage of a plane." But at Ramstein, Germany, the U.S. Air Force identified it definitely as that of the missing Navy patrol bomber.

The plane vanished Friday afternoon after establishing radio contact with Treviso Airport at the end of a 1,400-mile flight from Casablanca, Morocco.

HEAT WAVE IS BROKEN TODAY BY SHOWERS; 99 ON MONDAY

Welcome showers that began before 8 o'clock this morning broke the heat wave and brought relief from the searing drought that has held this part of the country since last week.

By 1:15 o'clock this afternoon showers had mounted to 0.73 inches, nearly as much rain as has fallen so far in the month of July.

Saturday's high of 97 degrees was followed by a new record for the year of 100 here on Sunday and then the mercury climbed back to a high of 99 degrees on Monday afternoon.

Broken In State
Pennsylvanians breathed easier today as the summer's first major heat wave retreated grudgingly before an advancing mass of cooler air that brought enough rainfall at least to dampen the dust in much of the state.

For the moment, the abrupt about-face from four days of 90-plus heat was a welcome relief. But parched fields and lawns needed far more rainfall than was in prospect.

Four drownings in western Pennsylvania occurred Monday afternoon and evening as tens of thousands across the state sought relief from the heat at beaches and swimming holes.

Light Rain General
Light showers were general across the state, with heavier rains in a few spots. Phillipsburg residents were in the luckier group, with .81 of an inch of rain before 7 a.m., wettest report in the state, the Weather Bureau said.

Erle and Pittsburgh got only a tenth of an inch, but a little more was in prospect.

Philadelphia and Harrisburg reported early morning shower activity, no major rainfall.

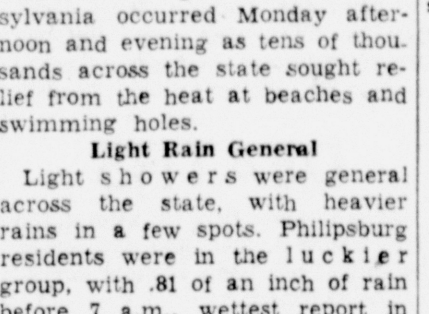

But it was blessedly cooler in most of the state, in comfortable contrast to the all-time high of 100 degrees yesterday in Philadelphia and Allentown, and a sultry reading of 94 in Pittsburgh.

13 Weeks Of Drought
Western Pennsylvania has sweltered through 13 weeks of almost complete drought. The century reading at Philadelphia tied the all-time high for the date. Western Pennsylvania, with a better rainfall average, had been drying noticeably since the heat wave moved in last weekend.

Overnight lows ranged down to almost 60 in many places, enabling thousands of folks to grab the first night of comfortable sleeping in some time.

Daybreak temperatures were in the 60s in most places, up to 77 in Philadelphia by 7 a.m., but an hour later the reading was one degree lower.

Expect More Rain

A memorial fund in memory of the late "Ricky" Weikert, 15-year-old baseball player who was fatally injured in a game here July 15 will be raised at the three playoff games August 5, 7 and 12.

Tickets for these games are \$1 each and the entire proceeds will be known as the "Ricky" Weikert Memorial Fund and presented to his parents. Not one penny of the proceeds from the sale of these tickets will be used for expenses. The treasurer of the Big Little League will open a special account. After the third and concluding game the account will be audited and a check for the entire amount will be given to Weikert's parents.

One-thousand tickets have been printed and it is the hope of League officials that all will be sold. Admittance to the games, however, is free and the special ticket sale is solely for the Memorial Fund.

This is an opportunity for all baseball lovers and others interested in sports to aid in what league officials believe is a worthy cause. The young ball player, popular with his teammates and others, was accidentally struck on the head by a pitched ball and died a few hours later. To memorialize his participation in the sport here and as an expression of the fans' appreciation for his efforts and as a symbol of the affection in which he was held the Memorial Fund is being raised.

Tickets are available from the officers of the league, the Elks, Eagles and Legion, the recreation director and his crew. Or if you wish to mail your money, check or money order to "HERE AND THERE, The Gettysburg Times, we will gladly report your participation and see that the tickets are delivered to you.

The goal is \$1,000. We have 17 days to do it. Can we?

2 County Teachers Enjoy Tour Abroad

Touring Britain by car Miss LeOra Held (left), Gettysburg R. 1, and Miss Alice M. Snyder (right), of 217 Baltimore St., visited the International Eisteddfod at Llangollen in Wales. They are pictured talking to a Welsh girl dressed in national costume, with traveling companion Miss Barbara Grott, York, Pa. The International Eisteddfod, held every year in Llangollen in the vale of River Dee, is host for one week to colourful singers, dancers and musicians from many lands.

An unusual Fourth of July celebration for two Yankee school teachers touring the British Isles by auto this summer was enjoyed by Miss Alice M. Snyder, Gettysburg High School English teacher, and Miss LeOra Held, English teacher at Littlestown High School.

They took a conducted tour of the House of Lords and the House of Commons, arranged through a friend of Miss Held who had a contact with a member of the House of Commons.

Writing from the Shakespeare Hotel at Stratford-on-Avon, Miss Snyder tells of her summer's journey thus far in the following report:

Thrilling Trip

"Last week we attended the Eisteddfod held at Llangollen, Wales. As we were coming from the marquee, a young lady from the British Travel Bureau stopped us and asked if she might take our pictures which would be forwarded to our hometown newspaper.

"This International Musical Eisteddfod proved to be very enjoyable, highlighted by the symphony concert on Sunday night. All other talent is non-professional and most of the groups were dressed in native costumes.

"We have had a very thrilling trip and have seen many well-known personalities. On June 23 we attended services at Yorkminster in York. The Princess Royal was in attendance as it was the day on which the York Mystery plays opened. We attended the opening performance of these plays and were very much surprised and pleased when Rodney Felix, a Gettysburg High School graduate, came over and spoke to us. He is presently attending Pennsylvania State University and is a member of its choir now touring England and the continent for six weeks.

"On June 27 we attended the pageant at Guilford where we saw the Queen and Prince Philip. The pageant was given in honor of granting of a charter to Guilford 700 years ago.

"While in London we visited the homes and shrines of many literary figures and saw the Oliviers in 'Titus Andronicus' and attended the opera 'Tosca' in Covent Gardens and attended a performance of the Royal Ballet at Sadler's Wells Theater. In Stratford we were delighted with Peggy Ashcroft in her portrayal of Rosalind in 'As You Like It.'

"We have just returned from the Chester Cathedral Rectory where we witnessed the second presentation of the Chester Miracle Plays since 1600. Tomorrow we are going to the lake district of England."

Red Cross Disaster Relief Fund Grows

Checks continued to come to the Red Cross office on Baltimore St. today for the hurricane disaster relief fund as Red Cross workers here began collecting the 200 containers placed two weeks ago in county manufacturing plants and stores to receive disaster fund donations.

With the \$1,000 goal yet far from reached, the current total for donations reached \$271.55 today. Among the recent gifts were \$10 each from Evadell L. Crider, Loyse Mae Feeder and Mrs. Mary W. Bowersox.

The local appeal for disaster relief funds is in response to urgent pleas from national Red Cross for emergency funds for disaster relief work in the wake of the recent Hurricane Audrey in Louisiana where more than 500 died and thousands were made homeless.

Egypt Nabs Israeli Sailor On Danish Freighter In Canal

JERUSALEM (AP)—Israel is demanding that Egypt release an Israeli sailor arrested aboard the Danish freighter Birgitte Toft when it stopped at Suez en route through the Suez Canal to Israel.

Egyptian authorities said yesterday they had handed the sailor, Raphael Eylon, over to the Egyptian intelligence department and confiscated his camera "to protect the security of the state."

They placed no formal charge.

The ship, carrying 3,357 tons of Burmese rice to Israel, joined the northbound convoy at Suez today and started through the canal. Eylon meanwhile was taken under guard to Cairo for investigation.

Authorities said no papers were found aboard the ship to prove the Israeli was a crew member. The ship's captain, Hans Lolk, told officials on arrival most of the ship's papers were lost in a fire June 29.

Held up for inspection, the Birgitte Toft missed yesterday's northbound convoy. Officials said it was normal procedure to permit limited, nonstrategic cargo through to Israel if it is addressed to individual importers and carried by a non-Israeli ship.

The Israeli demand asking also that Eylon be well treated until his release is being turned over with a request for action to U. N. Secretary Dag Hammarskjold, to the Security Council and the International Red Cross, a Foreign Ministry spokesman said.

The spokesman contended Egyptian authorities are not entitled to take anyone from a ship passing through the Suez Canal.

Eylon, in his 20s, signed on as a sailor aboard the ship when it put in at Israel's new Red Sea port of Eilat. He sailed with the Birgitte Toft to Rangoon, where it picked up a load of rice.

Egypt, meanwhile, informed Hammarskjold she will accept the jurisdiction of the World Court in disputes arising out of the operation of the canal.

Miss Raffensperger Dies Monday At 84

Miss Katie E. Raffensperger, 84, 201 Hanover St., died Monday afternoon at the Warner Hospital where she had been a patient for about a week.

A native of Adams county she was a daughter of the late Jacob and Rosanna (Haverstock) Raffensperger. She was a member of Trinity United Church in Christ here, and for many years was a store clerk at the old Gettysburg Department store and then for many years at the Lansburg Department store in Washington, D. C.

Survivors include these sisters: Mrs. Bertie Routsong, Bendersville; Mrs. Sarah Kroust, Narberth, and Mrs. Lottie Smith, Washington, D. C.; a brother, James Raffensperger, Collingswood, N. J., and a number of nieces and nephews.

Funeral services Thursday afternoon at 2 o'clock from the Peters Funeral Home, Carlisle St., with the Rev. Dr. Paul Reaser officiating. Interment in Evergreen Cemetery. Friends may call at the funeral home Wednesday evening after 7 o'clock.

CASHTOWN FIRE HALL ANNEX TO BE DEDICATED

Judge W. C. Sheely will be the speaker on Saturday afternoon, August 3, when the Cashtown Fire department will dedicate the new \$35,000 addition to its fire hall.

Recently completed, the 40x80-foot, one-story addition to the community fire hall houses a new kitchen and a dining hall that will seat 200 persons. It was built of concrete block and with its equipment cost \$35,000, company officials said.

The new annex will replace kitchen and dining room facilities in the basement that had been outgrown in the old fire hall building. That space will now be used for storage.

Dinner To Follow
The program of dedication which will begin at 4 p.m. will open with the invocation by the Rev. Fr. Louis J. Yeager, pastor of the St. Ignatius Catholic Church in Buchanan Valley. "America" will be sung by Mrs. William Strickhouser, accompanied by Mrs. Glenn Musselman Jr. Other details of the program will be announced later.

Following the dedication service a full-course turkey dinner will be served by the Ladies' Auxiliary of the fire department. A "big party" will be held during the evening.

At 1:30 o'clock in the afternoon, there will be a baseball game between the Cashtown and Union Bridge teams.

The fire company committee in charge of the dedication arrangements is headed by Harry Biesecker and includes Owen Bucher, Ira Bollman and Harry Small.

Veterans Of World War I Meet Sunday

Fourteen men who went "over the top" together in the Argonne Forest during World War I were reunited in East Berlin on Sunday.

The reunion was for veterans of Company A, 316th Infantry, 79th Division, which captured Montsacon September 26, 1918.

The reunion was held at the home of Charles Noel, East Berlin. Russell D. Shetter, of near Gettysburg, was elected president of Company A Association, and Clement C. Smith, of McSherrystown, secretary-treasurer.

LIONS EARMARK \$2,241 FROM CHARITY FUND

Gettysburg Lions Monday evening set their sights on giving \$2,241 to the community from their Charity Fund during the club year that opened this month.

Largest sums in the Charity Fund budget approved Monday evening go to the Gettysburg Community Chest which will get \$1,000 and to the Warner Hospital which will receive another \$500 payment on a pledge made by the Lions three years ago.

Money for the Charity fund has been raised in the past through the annual Lions' show, the sale of brooms and the sale of fruit cakes throughout the community.

Many Causes To Benefit
The Charity Fund Budget, adopted by club vote after a report from the Finance committee chairman, Kenneth Thomas, also includes these items: \$150 for sight conservation work; \$125 to the Red Cross; \$125 for Little League baseball; \$25 each for Salvation Army, Gettysburg Fire Company, Cancer fund, the Crippled Children's society, heart fund, polio fund, Alcoholics Anonymous, tuberculosis society, United Nations work, and these smaller items: \$15 to AME Zion church, \$10 for Halloween prizes, \$10 to the library building fund, \$10 for overseas gifts, \$1 for the county home auxiliary, \$5 for safe driving work, \$5 for Hi-Y work, \$10 for the day care center, \$20 for Beacon lodge and \$30 for miscellaneous uses.

The club's budget for current expenses which come out of the quarterly dues totals \$7,100 and includes sums paid for the weekly dinners, state and international dues, printing and supplies and miscellaneous items.

Seventy-nine Lions attended the weekly dinner meeting which was held at the Shelter House with President Donald A. Ulrich presiding. A past president's pin was presented to Attorney Eugene R. Hartman, whose term as club president ended in June. It was announced that the district governor will pay an official visit to the local club next Monday.

Members were canvassed for reservations for a trip to Baltimore to see a major league baseball game August 11 and later in the evening it was announced plans for the trip have been dropped.

60 LIENS FILED TO COVER TAXES

Sixty liens to cover unpaid 1956 county taxes were placed on file in the prothonotary's office today by the county commissioners through their clerks. The number brings to 70 the total liens filed on 1956 taxes for the county within the last week or more and marks a slight increase over the total filed a year ago.

Covering widely varying amounts of taxes, the liens were placed on record against real estate in these districts: Butler Twp., four; Conewago Twp., two; Franklin Twp., nine; Hamilton, 13; Highland, one; Huntingtown, four; Littlemore, two; Liberty, six; Littlestown, one; McSherrytown, four; Mt. Joy, one; Oxford, one; Reading, seven; Straban, five; and Tyrone Twp., 10.

A few more liens may yet be filed if tax claims on which final notices have been issued are not paid, the commissioners' office said.

Notices which went out recently on six properties covered by tax liens five years ago or more brought in taxes on four of the properties. Steps will be taken to sell the two other properties.

The filing of liens involves the adding of costs to the tax bills.

Damages Estimated At \$1,000 In Car Crash

A 1957 Chevrolet station wagon owned by the U.S. government and operated by Pvt. Glen D. Hemstee, 504 Military Police, Ft. Eustis, Va., slid through the red light at the corner of Carlisle and Lincoln Aves. at 1 p.m. today and crashed into the left side of a Chevrolet owned and operated by Alvin L. Johnson, 101 Martin Place, Jamestown, N. Y. Damage to each vehicle was about \$500. The front of the Army car was smashed in and the Johnson car suffered damage to the hood, front fender and left front wheel. Borough police took a youngster riding in the Johnson car to the Warner Hospital for treatment of a gash in the forehead sustained in the accident.

Hemstee was transporting four prisoners to New Cumberland, Pa., when the accident occurred.

Kiwanis Club Views Religious Film Strip

Petition Filed To Halt Divorce Action

A petition to discontinue a divorce action started here more than three years ago has been filed in the office of Prothonotary Herbert Miller. Both persons involved in the action have re-married since the action was filed.

The suit filed here in June of 1954 by Rosabel (Bollinger) Patterson, now Mrs. Hankey, asked a divorce on "grounds of desertion and indignities and on the basis of her claim that her husband, Harold Richard Patterson, had been convicted of a crime sufficient to provide grounds for divorce.

The petitioner, Mrs. Patterson, now Mrs. Hankey, said she is not sure where Patterson resides but believes it is in Muncy, Ind.

She learned after filing the divorce action here that her husband had secured a divorce in Indiana. Both the Pattersons have since remarried.

Judge W. C. Sheely has signed an order issuing a rule on Patterson to show cause by August 19 why Mrs. Hankey's request to discontinue the divorce action should not be granted.

"LIVE BY THIS"

Each one of us in this old world... struggles to do our best... to gain a solid place in life... and give our woe a rest... we strive to find the rainbow's end... where stands the pot of gold... for we know well that things depend... on what we have and hold... and so it is we work and slave... and do the best we can... in order to be first in line... and not an also-ran... and in our quest we never seem... to get all that we need... perhaps we are possessors of... the human trait called greed... not that I make excuses for... the shortcomings I view... but we should do our very best... to bid this trait adieu... for if we're to be happy... and solve life's complex riddle... we shouldn't ask for all we do... when we ourselves give little.

tion be erected at the north side of the building and after financing was arranged by a committee headed by John Fisel, the company approved the enlarged plans.

The present debt of the fire company is \$16,000 of which \$4,000 is the amount remaining on its fire engine.

The new addition includes a 25 by 34-foot kitchen and a 50 by 34-foot dining hall. With the increased dining facilities approximately 300 can be fed at the same time. At the meeting at which representatives of the fire company auxiliary were present, it was voted to hold banquets for organizations which may wish to use the facilities at any time.

New Equipment

Three new refrigerators, double stoves and four double sinks have been placed in the kitchen, and cupboards have been placed along all walls.

At Monday's meeting the firemen expressed their appreciation to the Auxiliary for donation of dishes and one of the two stoves in the kitchen.

New lavatory facilities have also been placed in the hall. Light green paint with dark green trim is being used throughout. Asphalt tile has been placed on floors, with a special grease resistant tile installed in the kitchen. Fluorescent lighting has been installed throughout.

Monday night, following the meeting, the firemen began painting the exterior of the fire company building.

BRITISH PLANES GIVE SHOW OF FORCE TO REBELS

LONDON (AP)—British warplanes were reported launching a three-stage show of force today against rebellious tribesmen holding 5,000 square miles of the Persian Gulf state of Muscat and Oman.

Press dispatches from the new Middle East trouble spot said RAF planes had been ordered to drop leaflets demanding that the rebels abandon their four-day-old desert war against the pro-British Sultan of the little sultanate at the southeast corner of the Arabian Peninsula.

Cannon-firing Meteor and Venom jets were reported ready to stage "demonstrations strikes" over rebel-held villages if the leaflets were ignored.

Should the insurgents go on fighting, the dispatches said, planes will be sent in to shoot up supply lines and paralyze rebel movements throughout the region.

The British, who have pledged aid for 46-year-old Sultan Said bin Taimur and accused "outside" forces of stirring up the revolt against him, appeared hopeful the uprising can be put down with only a show of air power.

The revolt erupted when tribal followers of the exiled Imam Ghaib ben Ali, religious leader of Oman, launched attacks on foothill villages ruled by the Sultan.

Reports from the area said some 1,500 rebel tribesmen have seized control of 5,000 square miles of the interior and cut off Odaiba Airfield.

Here's how Mercury beats its competition in 8 big ways.

★ **WIDEST CAR IN ITS FIELD**—The Big M is over 6½ feet wide. Only America's three most expensive cars can match it—at a cost of at least \$2,000* more!

★ **LOWEST CAR IN ITS FIELD**—The Big M is built closer to the ground than other cars. It's scarcely more than 4½ feet high—and without loss of headroom!

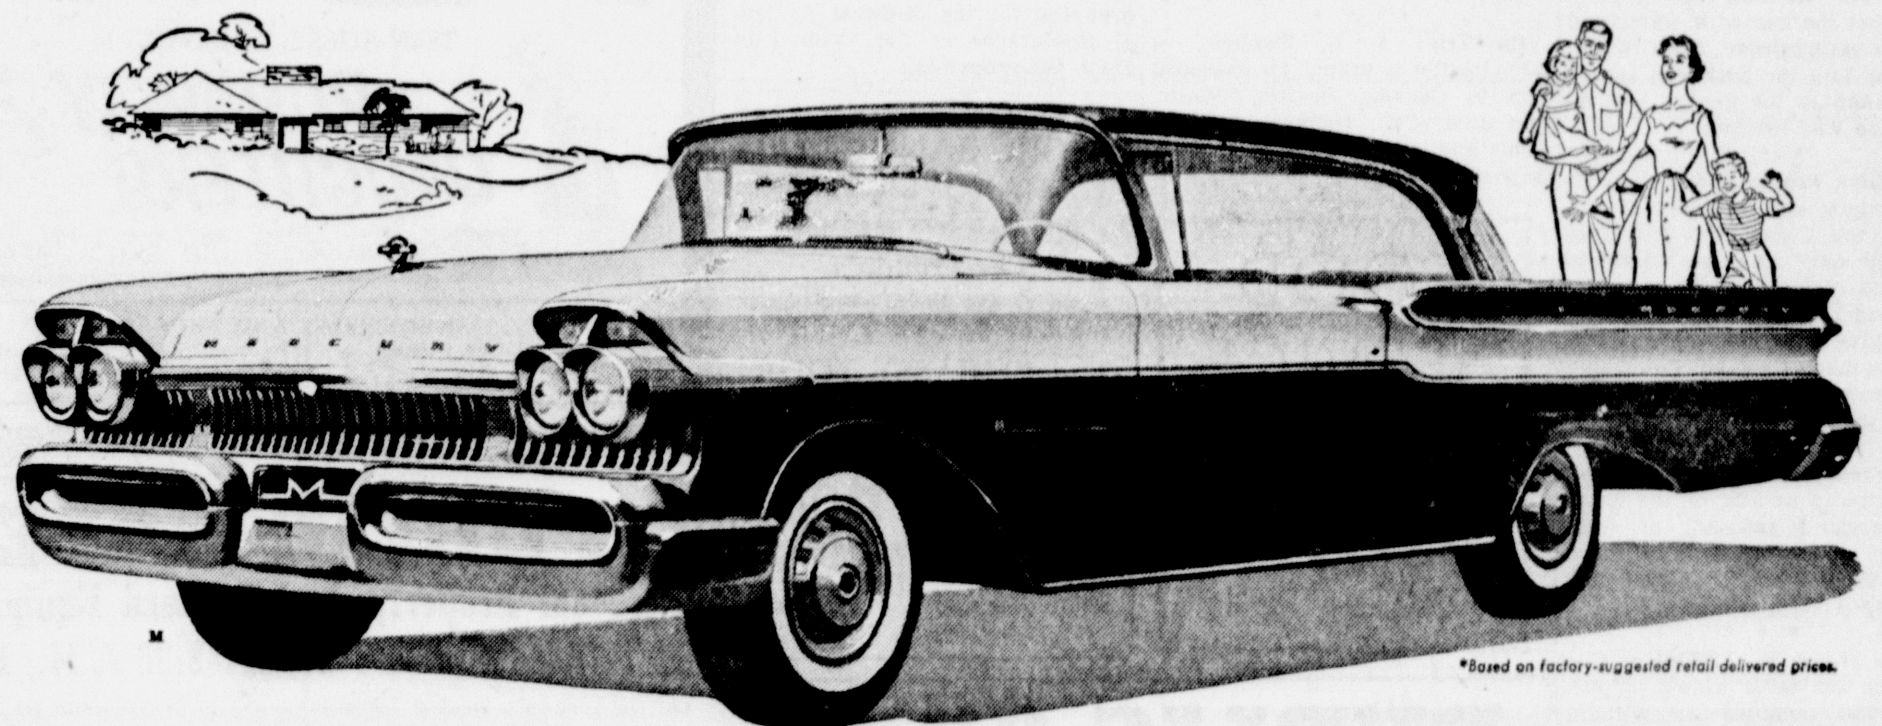

★ **MORE ROOM INSIDE**—To match the Monterey's hip room and rear seat leg room you have to pay \$1,000* more!

★ **HIGHEST STANDARD COMPRESSION**—It would cost you over \$500* more to match Mercury's standard compression (9.75 to 1) in any other car.

★ **BIGGEST BRAKES**—You'd have to pay over \$130* more to match the Monterey's giant brake size in any other car. Mercury actually has bigger brakes than most of the highest priced cars.

★ **MOST ADVANCED ROAD LIGHTING**—You would have to pay over \$130* more to get any other car with a real 4-beam headlamp system.

★ **MOST NEW FEATURES**—No other car at any price offers you any of these Big M dream-car features: Merc-O-Matic Keyboard Control, Floating Ride, power seat that "remembers," and Power-Booster Fan in Montclair series.

FIFTY YEARS AGO

Camping: Chas. M. M. Drum and family are enjoying camp life at Nary's Mill. They went into camp last Friday and will remain in camp about two weeks.

House Entered: During the absence of Amos Butt and family from his residence on Franklin St. one night last week a thief of thieves entered and ransacked the house, carrying off \$2 in money.

Ribs Fractured: While assisting in hauling hay on last Tuesday, David C. Smith of Mount Pleasant township, met with an accident. He was on the wagon doing the unloading when by a sudden jerk of the horses, he was thrown from the wagon, fracturing several of his ribs, besides receiving other bruises about the body.

Operation For Appendicitis At Midnight: Last Monday at midnight at the Chambersburg Hospital a successful operation for appendicitis was performed by the surgeons of the staff on Andrew Sheely, son of Noah Sheely, the famous fruit grower of near Arendtsville. The young man was taken to Chambersburg by Dr. Merriman, of Arendtsville.

George Eberhart Badly Burned: George Eberhart was badly burned in a fire at the automobile garage on Washington street Saturday evening. He was saved from possibly fatal burns only by the presence of mind of Mrs. Timbers, a colored woman, who smothered the flames, which were fast consuming his clothing, with a blanket which she happened to have with her as she passed the garage and saw Mr. Eberhart rush out with his clothes on fire.

Mr. Eberhart was badly burned about his right arm and side but is getting along nicely.
The accident happened while Clarence Redding, an employee at the garage, was cleaning the machine, belonging to John F. Thomson, vice president of the Bankers Trust Company of New York City. Some gasoline was ignited through friction and Mr. Eberhart, seeing the danger to the car, rushed to the car to take away a can of gasoline standing nearby. The liquid flowed over his arm and ignited. Mr. Redding extinguished the fire at the car with water and a patent extinguisher. The fire bell was rung and the hook and ladder truck taken to the garage, but no assistance was needed.

Will Give Trolley Ride: Through the courtesy and kindness of Mr. Turner, the Civic Club will give a trolley car ride on Monday, Hours 10 o'clock in the morning and 6 and 7 o'clock in the evening. Kindly give the Club your support. Tickets must be bought from club members before going on the cars. Round trip 10 cents.

Fell From Train: Harry Caldwell local freight conductor on the Western Maryland railroad, in some manner fell from his train near Seven Stars Friday. Fortunately he escaped serious injury.

House Struck By Lightning: The house on the farm owned by Mr. Byers and tenanted by William Steer, near Littlestown was struck by lightning Thursday afternoon. The roof, chimney, weatherboarding and floors were badly damaged. The bolt followed the stove pipe, exploding on the kitchen stove.

Several members of the family were near the stove, but fortunately they escaped injury.
Eye Injured By Fire Cracker: Earl, young son of Mr. and Mrs. Samuel Kohler, of near Kohler's Mill, Oxford township met with a painful accident Tuesday morning. The boy had lit a fire cracker which failed to explode as he supposed, in proper time. He picked it up and as he was holding it close to his face to examine the explosion took place, burning his eyes and face very badly.

Stopped Runaway: A horse attached to a cart owned by Asbury Reed and being used for carting ground from the cellar to the new

Today's Talk

THE STARS AND YOU

The mystery of the stars has always interested and intrigued me. There they are night after night—billions of them shining out their life, year in and year out—even while they are hidden from our sight during the day, or when misty or covered, like a soft blanket from our view.

The thing that strikes us all, I believe, is the regularity of the stars, and their place in the sky, placed there by our Creator. They all fill us with wonder. What is behind them? Not even our most powerful telescopes can answer this. But there they are, and our scientists have even given them names so that they can always be located.

Stevenson, in discussing the stars, speaks of "their serene and gladsome influence on the mind." Poets are inspired by the stars and have written about them down the ages. Browning wrote a beautiful poem to his wife, Elizabeth Browning, and called it "My Star." Surely an apt name for one's choicest love.

Many people have favorite stars that are plenty from which to choose! How the heavens can be filled with stars is both a mystery and a miracle. We are filled with a sense of wonder upon looking into a starry night. Why so many? Why do they fill the soul with love and a desire to know about each one? They were not just let loose. Each star has its place, its regular path. What a ribbon of beauty is the Milky Way!

The greatness of the Creator is emphasized through His stars, domain. How can we doubt His perfect planning and His power over our small earth? Yet we know little about this earth, our home. We can, at least, look into the face of the stars and pray for faith to guide us day by day.

Tomorrow Mr. Adams will talk on the subject: "Keep Giving" Protected, 1957, by The George Matthews Adams Service

AFTER

We who worked with him will know.
For we'd often heard him say
There was much he hoped to do
Had he been allowed to stay.

His the spirit and the will
For the goals he hoped to gain.
But the body, cold and still,
Could no longer bear the strain.

This the faith that reassures:
When a friend from us has passed,
The eternal soul endures;
It's the flesh that fails to last.

BISHOP CLOSES OLD CHURCH DUE TO LONG FEUD

NEW YORK (AP) — An Episcopal bishop ordered the closing of a feud-ridden Brooklyn church on Sunday to prevent its "being used as a battleground."

Bishop James P. DeWolfe called for the closing of the Protestant Trinity until the courts settle a bitter struggle within the congregation.

For a nearly a decade the church has been divided over the alleged pro-Communist activities of the Rev. William Howard Melish, its former rector.

Denies Red Link

He has denied any Communist link.

The closing of the 110-year-old church "until further notice" was announced at the 11 a.m. service by the present rector, the Rev. Dr. Herman S. Sidener. The 107 persons at the service were stunned by the news.

A dozen Brooklyn police detectives were at the church. There were no untoward incidents, however.

A court order recently removed the Rev. Mr. Melish from the pulpit and upheld Dr. Sidener as rector. The ousted cleric is appealing the decision.

During Dr. Sidener's first service July 7 pro- and anti-Melish church members contested over collection plates. And at a "coffee hour" in the parish house that followed the July 14 service, Dr. Sidener was reported knocked to the floor by a pro-Melish member.

"Solemn Judgment"

In his letter to Dr. Sidener, Bishop DeWolfe mentioned "the disturbances at the service and the coffee hour."

My solemn judgment therefore to you, as the rector, is that the church and all the parish buildings be closed until the litigation is settled in the courts," said the bishop.

"I am moved to this conclusion because it is my responsibility as bishop to see that nothing disturbs the peace of the church and I cannot tolerate the church edifice being used as a battleground."

The bishop urged Holy Trinity parishioners to worship at other Episcopal churches nearby.

SAYS REDS ARE FALLING BEHIND IN ATOMIC WORK

CLEVELAND (AP) — An Atomic Energy Commission official said Monday the Russians are way behind generate electricity from atomic hind schedule in their efforts to energy.

W. Kenneth Davis said the Russians had been "naïve about their proposed program" for power generation, and that the program is lagging.

"It seems likely that during the past year the Russians have come face to face with the real difficulties of their announced program and have had to revise its size downwards, extend its schedule, and even drop some of the proposed types of reactors," he said.

He said the Russian power program "looks more and more like the U. S. program."

Davis, director of the AEC's Division of Reactor Development, made the remarks in a speech prepared for the Midwest Regional Conference of the Council of State Governments.

Oldest London Church, Razed By Bombs, Rebuilt By Gifts Of Materials Is Reopened Today

By LEONARD LEDDINGTON

LONDON (AP) — London's oldest church, destroyed by wartime bombing and rebuilt with gift steel from the United States, is being reopened today to carry on work begun 13 centuries ago.

To this church, All Hallows By-the-Tower, the headless bodies of famous Britons were carried after the executioner did them in at the Tower of London. Here William Penn was baptized in 1644 and John Quincy Adams married in 1797.

Its American connections are carried on today by the Rev. J. B. M. Frederick. An Episcopal clergyman from Rye, N.Y., he is an assistant on the church staff.

There has been a church on the site since the days of the Saxons. It may date to 604; records show it was definitely standing in 675.

Bombed Three Times

Three times during World War II it was hit by German bombs. All that remained was the crypt and undercroft, the shell of the tower and the bare stone walls.

Men who planned the rebuilding of London chalked off the church as a hopeless case and suggested that a highway be routed over the site. The vicar, the Rev. Philip Clayton, moved in a batch of building materials to claim "squatters' rights" and opened a world wide campaign to get it rebuilt.

He said he wouldn't need a single item of any of Britain's scarce rebuilding materials and went abroad to appeal for the steel, wood, copper and lead he required. He came back with promises of steel from the United States, timber from Australia, Canada and New Zealand, copper from Southern Rhodesia, tiles and lead from Canada.

New Church Reborn

Planning authorities relented, and the new church—"reborn, revived, a phoenix from the ashes," says the Rev. Mr. Clayton—will be rededicated today in the presence of Queen Mother Elizabeth.

A group of American students known as the Winant volunteers—named after the United States' wartime ambassador to Britain, John G. Winant—will be presented to the Queen Mother after the ceremony.

56 In Group

The Winant Volunteers — this year's group includes 35 men and 21 women—pay their own way to Britain during the summer vacation period and work with the vicar of All Hallows on an assortment of welfare assignments throughout London's East End.

Vicar Clayton organized these volunteers 10 years ago. The Winant Volunteers listed in this year's group for presentation to the Queen Mother include:

TO CLOSE UNION VESPER SERIES

The Rev. G. Howard Koons, pastor of Christ United Church of Christ, spoke on the subject "The Christian and Service," at the outdoor union vesper service held on Sunday evening in the Crouse Park pavilion. Pastor Koons presided. The Rev. Rodney T. Yates, pastor of Centenary Methodist Church, offered the invocation and read the Scripture. Prayer was given by the Rev. William C. Koons, pastor of St. John's Lutheran Church, who also pronounced the benediction at the conclusion of the worship. Christ Church Choir sang the anthem "O Lord of Hosts," accompanied on the organ by Fred A. Warner, who was also organist for the congregational singing.

The summer series of union vesper services will conclude with the worship next Sunday at 7 p.m., in the park pavilion. The message will be delivered by the Rev. Mr. Yates. The union services are arranged by the Littlestown Ministerium and the public is invited to attend.

Miss Sandra Hawk, Prince St., is spending the week at Camp Michaux, near Pine Grove Furnace. She was accompanied there on Sunday by her parents, Mr. and Mrs. Edward F. Hawk and daughter, Dolores, and Mr. and Mrs. Felix P. Lawrence.

A party was held on Friday evening at the home of Mr. and Mrs. Robert Myers, W. King St., in celebration of the tenth birthday of their son, Gregory, and also of the pennant-winning Little League team, the Vets, of which Gregory and his brother, Larry, are members, and Mr. Myers is manager. Little League team members present were Terry Arbogast, Joe Boyd, John Burgoon, Michael Sneringer, Clyde Rohrbaugh, James Myers, Fred Snyder, Jeffrey Rebert, Thomas Schildt, Brian Long, Larry and Greg Myers. Also present were Chris Rebert and Mr. and Mrs. Albert

MEANY'S CHARGE OF "WHITWASH" STARTS PROBE

By G. MILTON KELLY

WASHINGTON (AP) — George Meany's charge that the United Textile Workers "whitewashed" fund-juggling charges against its two top officials set Senate rack-ets probers searching today for the inside story.

The special Senate committee conducting the inquiry called union attorney Joseph Jacobs of Atlanta, Ga., for questioning.

Committee counsel Robert F. Kennedy identified Jacobs as a member of a five-man UTW group which reported in 1953 that "none of the (union) money has been misused."

Had Observed Officials

This document had absolved the union's President Anthony Valente and Secretary-Treasurer Lloyd Klenert of various charges, including use of union money in 1952 to buy themselves swank new Washington suburban homes.

The report was prepared after Meany, then secretary-treasurer of the AFL and now president of the combined AFL-CIO, had questioned some of the union's transactions in 1952. Meany described the report yesterday as a "complete whitewash."

Loans To Come Up

Klenert testified Friday that he and Valente did use \$57,000 of union money in part payment for the houses, but paid it back. He contended the whole deal was

Byrd, and Mr. and Mrs. Myers Games and refreshments were enjoyed.

Members of the Junior Woman's Club of Littlestown and their husbands are asked to assist in making improvements to a tennis court at the south end of the community playground on Thursday evening starting at 6:30 o'clock. Last week the club members and their husbands cleared the other tennis court, in preparation for further improvements in the near future. The work is being done in connection with the club's Tot-Lot project.

2 Youngsters Drown In Nearby Accidents

SAYRE, Pa. (AP)—Drownings took the lives of two youngsters in this area over the weekend in separate accidents within seven miles of each other.

Larry E. Pierce, 6, Athens R.D. 2 drowned in a small pond only 50 yards from his home after he went to the pond without informing his parents. When they discovered him missing they notified authorities. Searchers found the body in the pond.

Brian Shores, 15, Ulster R.D. 1 drowned Friday night at Brencley's Lake as he attempted to swim to a boat carrying his sister and a cousin. His mother swam 50 feet to his aid but she was unable to hold him above the surface.

legitimate. Both have denied any wrongdoing.

Meany spoke to the committee that both Klenert and Valente had denied the house-buying story when he taxed them with it in 1952. He announced he now will file fresh charges against both of them for a union "trial."

In addition to Jacobs, Kennedy said, the committee will call perhaps "a half dozen" other witnesses. He said they will be asked about reports that Valente and Klenert "borrowed from management"—employers of labor—in both direct loans and through notes signed by employers, in the period in which the two officials paid back the \$57,000.

Vacation Pay

Miller, a laborer drawing \$140 an hour, earmarked his vacation pay for expenses of the trip. That left nothing for other daily expenses until his pay started again.

HOT NATIONAL LOOP PENNANT RACE RENEWED

By ED WILKS

Will the Braves be able to hold the lead despite injuries? Can the Cardinals win at home? Will the Dodgers, loaded with walking wounded, be able to hold their own in the West? Can the Redlegs avoid another long slump? Will the Phillies hang on?

Even Helen Trent never had it as rough as the five clubs in on that soap opera the National League is staging as a pennant race these days. And after the St. Louis Cardinals were rapped 13-4 by the Chicago White Sox in yesterday's Hall of Fame game, the pennant pursuers get back to business today with the Western teams at home to the East.

In the AL—where the only real question is "If the Yankees are so great, why aren't they playing 700 ball?"—first-place New York gets another chance to wrap it up early, returning home with a 4½ game lead for a three-game set with the second-place White Sox.

Braves Home Again
Milwaukee's Braves, who left home July 1 with a half-game lead, slipped to third and three games behind only to get hot again and win nine of the last 13, are back home again for a 16-game stay. They open tonight with a one-game lead against Philadelphia, with the Phillies in fifth, 3½ games behind, after leading the league by half a game a week ago.

The Dodgers, hottest club in the race at the moment with a 10-2 record that has hoisted them from fifth, five games behind, to second, open the trip at St. Louis. The Cards, blowing a three-game lead with a 4-7 trip through the East, are third, 1½ games back, as they open a 2½-game stand at home—where they're only 20-20 for the season.

Redlegs Face Bucs
Cincinnati at home for a 13-game stay, is fourth, two games behind, as it opens against seventh-place Pittsburgh tonight. New York's sixth-place Giants, who tore the West apart with a 10-5 record on their last trip, are at Chicago for a day game with the last-place Cubs.

In other AL games, it's Kansas City at Boston, Cleveland at Washington and Detroit at Baltimore. All are night games.

Thursday's Match

Team Four vs. Team Seven.

The standings in the Community Horseshoe League tightened Monday evening when Team Six sent Team One to its initial defeat of the season on the strong pitching of Harry Wildison, Henry Byers and Charles "Junie" Kerrigan.

Wildison won all three of his games, averaging 35 per cent ringers; Byers lost only to Wayne Kump and pitched 40 per cent ringers, while Kerrigan, also losing only to Kump, pitched 32 per cent ringers. Kump was high individual average man for the evening with 41 per cent ringers while pitching in a losing cause, being the only winner for Team One, losing only to Wildison 51-43 in a close game. Glenn Sell, hitherto a big winner along with Kump for the league leaders, dropped all three of his games while averaging 27 per cent ringers. Max Sherman was also a three time loser for Team One and averaged 13 per cent ringers.

Bill Coston, league director, has called a meeting of all team players for Thursday night following the regularly scheduled match, to make final plans for the individual tournament that will eventually produce a challenger for Dean Ford, defending Adams County champion. Under league rules, only those players participating in the regular schedule will be admitted to the tournament but following that any outsider can challenge the county champion.

RIEDEL, GANTZ LEAD 1ST ROUND

WILKES-BARRE, Pa. (AP)—Skeel Riedel of Ithaca, Pa., and Jim Gantz of Harrisburg shot one-under-par 70's to tie for top honors over a field of 162 amateurs and 54 professionals in the 10th annual Anthracite open golf championship yesterday.

The best scoring amateurs were Bob Baddorf of Reading and Mike Shimko of Wilkes-Barre, both of whom carded 72.

Runners-up among the pros were Terry Johnson, Wilmington, Del., and Tony Longo, Clarks Summit, 72; and John Serafini of the host club; Stan Dudas, Philadelphia; Bob Schoener, St. Louis, and his son, Bob Jr., Bethlehem, and Mike Rubish of the Locust Valley C.C., all with 73s.

Art Wall Jr. of Pocono Manor finished out of the money with a 74.

Tied at 73 among the amateurs were Frank (Pooch) Allan and Art Barni, both of Fox Hills, Ed Gonsky of Wilkes-Barre and Roy Lovejoy of Wilmington, Del.

These players had 74s: Buddy Lutz, Reading; Charles Decker, Galen Hall; Lynn Creason, Harrisburg; Bob Davies, Hershey, and Jim Gorman, Reading.

Tonight's Game

Rotary vs. Lions, 6:15 p.m.

The pressure will be on the Rotary Tigers going into the final game of the Little League season tonight as the Moose came from behind in the final three innings to capture a 7-3 win over the Glenn L. Bream Yankees, and assure the winners of at least a second place standing, in a nip and tuck game played on the recreation diamond Monday evening.

The Breammen jumped to a quick 3-0 lead in the bottom of the third frame. An error placed Ronnie Redding on first, but was soon eliminated when Tom McDermitt hit into a fielder's choice. Another infield miscue put Roy Fairman on first advancing McDermitt to second. Steve Olson then uncorked a long double to deep left but McDermitt was cut down trying to score. Johnny Chrismer followed with another long two bagger to center and Steve Stahl climaxed the rally with a clean single over the short stop.

Moose Bounce Back

The determined Moose bounced back with two runs in the top of the fourth on a walk to Paul Plank, singles by Gary Fair and Tom Whittinghill and two Bream miscues. The winners forged ahead in the fifth by tallying three more runs to take a 5-3 lead. Whittinghill doubled off the centerfield wall while teammates Lynn Keefer and Gary Fair produced the single base blows. The game-clinching runs were scored in the top of the sixth with the Moose scoring twice. An infield error, walks to Keefer and Cletus Redding and a safe hit by Gary Fair accounted for the runs.

The Yankees' only other scoring threat came in the bottom of the fourth, when, with two outs, Ronnie Redding lashed out a clean double to left but was unable to come in when McDermitt lined out to the first baseman.

Lynn Keefer came on in relief in the bottom of the fourth, after Bobby Greiner pitched the opening three innings, to take his fifth win against two setbacks. Rick Jones, who went the distance for the Breammen, now has four wins and five losses on the season.

Eastern League

In an 11-inning battle of the titans, the top-ranking club of the Eastern League defeated the League All-Stars last night.

The host Schenectady Blue Jays took the annual All-Star Game 2-1 after John Pedretti lined a single to left field.

ANY TOP TEAM MAY GET ORANGE BOWL BID IN '59

MIAMI, Fla. (AP)—Any top-notch college team can be invited to play in the 1959 Orange Bowl football game and everyone seems happy about it—even the Atlantic Coast Conference, which was cut loose to make room.

The Orange Bowl Committee voted yesterday not to renew its contract with the ACC. Atlantic Coast Conference teams have met Big Eight conference champions in Orange Bowl New Year's Day games since 1954 under agreements that expire with the 1958 clash.

The bowl will continue to book Big Eight championship teams, but will be free to pick the opposing eleven from any section of the nation.

25 Anniversary Near

Major radio and television networks, which have paid the bowl increasing sums for broadcast rights, had urged the committee to widen its field of choices. Negotiations currently are under way with NBC and CBS.

Joe H. Adams, president of the bowl committee, said the Big Eight had agreed to waive for 1959—the bowl's 25th anniversary—its rule that no Big Eight team can play in two successive bowl

directors held at Schenectady in conjunction with the game, the league adopted the slogan "Eight in '58" as plans were made for at least eight teams in the circuit next season.

Pedretti's 11th-inning single followed a walk to Chuck Essegian and a single by Dale Bennett that put runner at first and third with none out.

Richie Windle, Binghamton outfielder, boomed a home run over the left field wall in the fourth inning that gave the All-Stars their only run.

At the directors' meeting, League President Tommy Richardson said the league planned to invite such cities as Williamsport, York, Lancaster and Johnstown, Pa., Hagerstown, Md., and Utica, N.Y., to join.

Baylor Provides "Pink Cadillac Row"

WACO, Tex. (AP)—Dislike that hot sun at early-season football games? Annoyed by the chill late in the fall? Don't like rain or snow down the neck while cheering the alma mater?

Baylor has the answer. It's an 85-seat, glassed-in section with tile floors, foam cushions, heaters and air conditioners. There'll even be potted plants in the corners.

The special section, known as "Pink Cadillac Row," will be just below the press box. Holders of options on the seats will reach the section by elevator.

About the only comfort the section won't be able to provide is a winning team.

Lake Too Crowded For Speed Trials

CANANDAIGUA, N. Y. (AP)—

Harassed by pleasure boats, Don aid Campbell says he'd rather not try for a record in his jet hydroplane Bluebird II than risk "maiming some innocent lake user."

Campbell said the only way to achieve necessary safety conditions on Canandaigua Lake was to increase the number of patrol boats from nine to 75. He said he and the local promoters were trying to find trained men and boats for the patrols.

A weekend survey shows, he said, that nearly a thousand power boats are based along the 16-mile lakefront parallel to the course where he hopes to beat his own water record of 225.63 mph.

Under foreseeable conditions, that probably would bring the Big Eight's powerhouse, Oklahoma, to the Orange Bowl both in 1958 and 1959. The latter year, the committee could pick the Big Eight team's foe from the cream of college football regardless of section.

"We are happy about this," Adams said.

Van C. Kussow headed a committee panel that studied means of improving the Orange Bowl game and recommended yesterday's action by the full committee.

COURCHESNE OKAY TODAY AFTER OXYGEN

NEW YORK (AP)—Bobby Courchesne was as good as new today but his manager, taking no chances, decided that a projected trip to Venezuela was out for the time being.

Courchesne, a good journeyman lightweight took a spasm between the eighth and ninth rounds of his scheduled 10 with Bobby Bell last night at St. Nicholas Arena and scared the living daylights out of his seconds and the TV spectators who saw the bout in some sections of the country.

"Of course, the trip to South America is out," said Courchesne's manager, Pat Bartlett. "He was supposed to fight in Caracas. There's nothing wrong with him, but we just want to be careful."

Responded To Oxygen

Courchesne, who had a 50-8-2 record, was charged with a knock-out at the hands of Bell when he failed to answer the bell for the ninth round. According to the New York State Athletic Commission rules, it goes in the books as an eighth-round kayo.

Bartlett was backed by Dr. Samuel Sveinick, the physician in attendance.

"Courchesne is perfectly all right," said Dr. Sveinick. The heat got him. It must have been 110 degrees in the ring. In cases like this the important thing is to see that nothing happens to the brain. When we gave him some oxygen he responded."

U. S. Business Sets Record Of Supporting Public Campaigns

NEW YORK, N. Y.—Public service advertising has become a big business and, at the same time, it has developed into one of the biggest giveaways in history. This was revealed today in the 15th anniversary report released by the Advertising Council.

The Council, a non-profit organization, supported by business firms and a big segment of the advertising and communications industry, devotes all its efforts to persuading John Public to better his own lot, improve his own community and strengthen his own nation's welfare by taking various individual actions as a citizen.

A few foreign countries conduct somewhat similar advertising campaigns with government funds; but in the U. S. the taxpayer pays not one cent for this public service American business last year, through the Advertising Council mechanism alone, voluntarily donated more than \$149 million worth of its commercial advertising time and space to the national welfare projects. (This compares with \$125 million a year ago).

"Volunteer Support"

Enjoying its biggest volunteer support since the war, the Council was thus powered to conduct 16 major campaigns and to help 54 other projects on a lesser scale during the fiscal year ending February 28, 1957.

Through public service advertising messages beamed at him from all sides (through newspapers and magazines, radio and television messages, company periodicals, outdoor posters and display cards in buses and trolley cars) the man on the street and the woman in the home are urged to drive their cars with the caution of a Milquetoast. They are persuaded to "get in there and

fight" for better schools and against creeping slum blight. They're urged to attend their churches and synagogues regularly, save money for their kids' educations through the U. S. Savings Bond payroll plan; and when they venture into wooded areas for their picnics they are asked to act like Smokey the Bear who always douses his camp fires, and grinds cigarette butts with his heel.

"American business," states Louis N. Brockway in his chairman's report, "contributed more generously to public service projects than in any other peacetime year . . . and in so doing underscored its own deepening sense of responsibility to the nation and the people." Brockway is executive vice president of Young & Rubicam, Inc., serving his second term as chairman of the Council's board of directors.

Add Dictionaries To Cops' Equipment

PHILADELPHIA (AP)—The Police Department has added some new equipment—dictionaries.

An increase in paper work has brought on too many misspelled words, officials say. All reports with incorrect spelling must be done over, according to regulations.

So dictionaries have been issued to every stationhouse and detective division in the city.

CONFEDERATE LOOT

LITTLE ROCK, Ark. (AP)—Dr. J. R. McHugh figures the thief who took a package of \$1,200 in currency from his home over the weekend will have a hard time spending it. The loot was Confederate money.

"VOICE" CARRIES DULLES' PLEA ON DISARMAMENT

By JOHN SCALLI

WASHINGTON (AP)—The Voice of America beamed throughout the world today Secretary of State Dulles' plea for steps toward disarmament before the problem of curbing hydrogen and atomic weapons becomes "totally unmanageable."

"As matters are going," Dulles said last night, "the time will come when the pettiest and most irresponsible dictator could get hold of weapons with which to bring immense harm."

His radio-television address was both a report to the American people on this country's efforts at the London disarmament conference and an appeal to Russia for new concessions there to make some agreement possible.

Aimed At "Curtain"

Full summaries of Dulles' address were aimed particularly at Iron Curtain areas from Voice transmitters in Okinawa, Munich and even the Coast Guard vessel Courier in the Mediterranean.

The all-out treatment in the overseas broadcasts pointed up how much the Eisenhower administration was relying on Dulles' sober words to spur the East-West disarmament talks in London.

He stressed the dangers to mankind of continued delay in developing a first-step plan for curbing the grim threat of atomic-hydrogen warfare.

Avoids Harsh Language

And in words aimed at Russia's rulers, he also cautioned that the cost of building and maintaining modern nuclear-equipped forces was soaring so high "no nation can sustain that cost without grievously burdening its economy."

Dulles carefully avoided harsh language and the usual denunciations of Soviet policy in what seemed a clear move to demonstrate America's sincerity in wanting a limited disarmament agreement.

Responsible officials said the timing of the Dulles speech was keyed to a belief that Russia must soon come up with such concessions, particularly an agreement to end atomic-hydrogen bomb production.

Compromise Bill May Pass Congress

WASHINGTON (AP)—Congress may pass this week a compromise \$33,759,850,000 Defense Department money bill cut \$2,368,150,000 below the amount President Eisenhower originally asked.

A Senate-House conference committee reached an agreement yesterday on the final figure—which is \$197,125,000 more than the House had voted and \$774,379,000 less than the Senate had allowed. Sen. Chavez (D-NM), head of the Senate conferees, said he would attempt to call the compromise up for Senate approval this week if the House acts promptly.

House leaders said the compromise might be taken up Wednesday but might be delayed until later in the week.

Postal Bill Veto Being Predicted

WASHINGTON (AP)—Several House members of both parties predicted a presidential veto of a \$18-million-dollar pay raise for postal workers if the Senate goes along with House passage.

The House gave tentative approval to the measure yesterday but delayed a final vote until today.

President Eisenhower is opposing any general pay increase for federal workers at this time, saying the government as well as private citizens should avoid anything that could add to inflationary pressures.

Some 518,000 postal workers across the nation would get a \$546 a year across-the-board pay increase under the measure in the House. This amounts to about a 12½ per cent raise on the average postal salary of about \$4,340 a year.

BILL ON SCHOOL AID IS FACING UNCERTAIN FATE

WASHINGTON (AP)—A compromise 1½-billion-dollar school construction bill headed for an uncertain fate on the House floor today.

"If we don't get a bill this year, we won't get any," Rep. Kelley (D-Pa.), author of the compromise, told a reporter. "This is the second try."

The House defeated a similar measure last year 224-194 after first tacking on an anti-segregation amendment.

Appeal To Ike

Twelve Democratic members of the House Education Committee sent a telegram to President Eisenhower urging him to make "an extraordinary appeal forthwith" to Republican House members on behalf of the measure.

The Democrats said they were confident that "a solid majority" of Democrats would support the bill as they did last year.

"The pending bill contains all the main features which you recommended in your message last January," the telegram said.

"It is apparent that a shift of only a handful of Republican votes will mean success this year."

Another appeal came from representatives of 21 national organizations, who requested Eisenhower to give "unqualified and publicly stated support" to the pending measure.

Issues involved in the school aid controversy include economy, opposition to putting the federal government into a new spending field, disagreement on whether there is danger of federal control, and segregation.

Last year the House adopted an amendment by Rep. Powell (D-NY) which would have denied federal aid to school districts practicing racial segregation in the classrooms. Then the House killed the bill.

"I think we can defeat the Powell amendment," Kelley said. "They remember what happened last year."

GRAHAM BEGINS FINAL 3 WEEKS

NEW YORK (AP)—Billy Graham says, "The Devil is angry at the rising spiritual tide in New York." "He most likely will strike in unexpected places and at unexpected times," he says.

With the Devil putting up a die-hard resistance, the evangelist said yesterday he is tightening up his strategy for the last three weeks of his New York crusade.

Graham will be back at Madison Square Garden tonight after two days of rest. His schedule today included a round of golf. Yesterday he got in a game of golf, the first since the crusade started May 15.

Attendance at the crusade meetings now totals nearly a million and a quarter.

The crusade originally was scheduled to end June 30. It was extended to July 20, and now has been extended to Aug. 10.

ASKS AIR FORCE TO JACK UP ITS CONTRACT WORK

By B. L. LIVINGSTONE

WASHINGTON (AP)—Rep. Hebert (D-La.) called on the Air Force today for "affirmative action" to jack up its efficiency in negotiating defense contracts.

Hebert is chairman of an Armed Services subcommittee which yesterday heard government auditors report that General Motors Corp. overstated its costs on a \$75-million-dollar airplane contract, and that it has refused to pay back any of 17 million dollars in alleged "excess" profits.

Hebert called the figures "shocking."

Decline Comment

Comptroller General Joseph Campbell, in a letter transmitting the audit report to Congress, said: "This report shows that the contractor (GM) realized a profit of \$17,459,200 in excess of that contemplated in price-redetermination negotiations, and that his additional profit resulted in part from inadequate analysis and evaluation by the Air Force of the contractor's pricing proposals."

In Detroit, a GM statement said, "We are certain that an examination of the complete record will confirm that General Motors' price on this contract to the government and the profit accruing from it was fair and reasonable."

The Air Force declined to comment. Hebert told newsmen that "every one of the (Air Force) negotiators should be called on the carpet." He ordered his staff to compile a report on the personnel involved in the General Motors contract.

DEATHS

By THE ASSOCIATED PRESS
GROTON, Conn. (AP)—Vice Adm. John Wilkes, USN (ret.), 62, who escaped by submarine from Corregidor to reassemble the Navy's scattered Asiatic submarine fleet after the Japanese conquest of the Philippines, died Saturday. He retired in 1951.

NEW MILFORD, Conn. (AP)—Dr. Alfred Einstein Cohn, 78, an authority on the human heart, among the first in the country to make electrocardiograms, died Saturday. He was a member emeritus of the Rockefeller Institute and had been with the institute for 33 years.

NEW YORK (AP)—Jack A. Goodman, 48, vice president and executive editor of Simon & Schuster, Inc., publishers, died Sunday. He was born in Montreal.

HARRISBURG (AP)—Twenty-seven professional, technical and clerical workers have been dismissed from the State Welfare Department, effective Aug. 9.

Welfare Secretary Harry Shapiro said the employees were fired because of budget cuts made by the 1957 Legislature. The jobs range from clerk to psychologist with salaries between \$2,400 and \$10,400.

Shapiro asked the department's personnel division to assist each worker in obtaining other employment.

Hold Builders For Two School Deaths

NORRISTOWN, Pa. (AP)—Builders of a new high school which collapsed June 7. Crushed under 30 tons of structural steel were two workers for the Lindstrom company — Warren Cox, 44, and John Myers, 50, both of Camden, N.J. Two other workmen were injured.

Ordered held on criminal charges by a coroner's jury yesterday were Lindstrom Steel Erection Co., Lansdowne, and William C. Kulzer Co., Philadelphia, held on

criminal charges. The partially-built, 3-million-dollar school in Lower Merion Twp. collapsed June 7. Crushed under 30 tons of structural steel were two workers for the Lindstrom company — Warren Cox, 44, and John Myers, 50, both of Camden, N.J. Two other workmen were injured.

NOTICE
Notice is hereby given that on June 10, 1957, the bond dated May 21, 1957, from Reading Company and Indemnity Insurance Company of North America to the Commonwealth of Pennsylvania for the use of John Beak was approved by the Court of Common Pleas of Adams County, Pennsylvania, and was filed in the office of the Prothonotary of said Court in proceedings instituted by Reading Company for condemnation of a parcel of land situate in Cumberland Township, Adams County, Pennsylvania, owned by John Beak.

On July 15, 1957, the Court appointed J. Francis Yake Jr., Esq., Leroy Winebrenner and Roy D. Renner as viewers to determine whether any, and if any, what amount of damages has been or may be sustained and to whom said damages are payable by reason of the aforesaid condemnation. Pursuant to said Order of Court, the Viewers will meet August 1, 1957, at 10:00 o'clock a.m., Daylight Saving Time (9:00 o'clock a.m., Eastern Standard Time) on the aforesaid parcel of land which is located to the west of and adjoining the right of way of the Reading Company and to the south of and adjoining land of Lyonsburg S. Long and wife, a more detailed description of said parcel and of the location thereof being contained in the petition filed on July 15, 1957, in said proceedings.

Orders for Shorts
CHARLOTTE, N.C. (AP) — The owner of Lawrence Knitting Mills, Lawrence Levy, told all his employees to wear Bermuda Shorts. He's wearing them too. "It was too hot, that's all — just too hot!" said Levy. "Now we get more work done and don't feel hot and irritable."

TWO KILLED, SIX HURT IN CRASH

WALTERBORO, S.C. (AP)—Mrs. William Grumbine remained in a hospital here today where she is being treated for injuries suffered in a traffic accident near here Sunday that claimed two lives, including that of her 6-year-old daughter.

Mrs. Grumbine's husband, also injured, is a patient at Medical College Hospital in Charleston.

Killed in the two-car wreck were Eugene Grumbine and Wheeler Floyd, 66, of Gable, S.C., a passenger in the car involved in the head-on collision with the Grumbine car.

Two other Grumbine children, Vickie and Billie, also were hospitalized. They were reported better today. Mrs. Grumbine was reported still on the danger list and her husband is still in serious condition.

Four other South Carolinians injured in the smashup on Highway 15 also are still in the hospital here.
